## The Bobbin-a-Month Club

The Bobbin-a-Month Club is designed for people who would like to start their own collection of Archer bobbins but would prefer to spread the cost at a level of their choice.

All that's required is a minimum order of twelve bobbins. You may distribute your bobbins in any way you wish, two one month, one the next, for example.

Every month when we send your bobbins we will let you know the value of your next order. You can then either send payment in the form of a pounds-sterling cheque or complete and return the credit-card payment form that will be attached to your request slip. In the interests of keeping the club running smoothly we do appreciate prompt payment.

If at any time you anticipate not being able to make your payment in time - if you are going on holiday for example - you can contact us and we will be happy to make alternative arrangements. If you do not contact us we shall assume that the bobbins are no longer required.

To join the Bobbin-a-Month Club just fill in the pale green order form enclosing a pounds-sterling cheque, or fill in the credit-card details for your first month's bobbin(s) (see below for postage and packing details) and within four weeks we will send you your first bobbin(s).

If you have any questions, please don't hesitate to contact us.

**Postage and Packing:** For overseas orders a charge of only £2 will be made as opposed to the standard charge of £2.75. For UK orders no charge will be made for postage and packing.
