The Bobbin-a-Month Club

The Bobbin-a-Month Club is designed for people who would like to start their own collection of Archer bobbins but would prefer to spread the cost at a level of their choice.

All that's required is a minimum order of twelve bobbins. You may distribute your bobbins in any way you wish, two one month, one the next, for example.

Every month when we send your bobbins we will also enclose a payment request slip for the following month's order. You can either send payment in the form of a pounds-sterling cheque or complete and return the credit-card payment form that will be attached to your request slip. In the interests of keeping the club running smoothly we do appreciate prompt payment.

If at any time you anticipate not being able to make your payment in time - if you are going on holiday for example - contact us and we will be happy to suspend that month's order or make alternative arrangements.

To join the Bobbin-a-Month Club just fill in the enclosed order form and send it to us either:

by mail: return it to us enclosing a pounds-sterling cheque, or fill in the credit-card details for your first month's bobbin(s) (see below for postage and packing details).

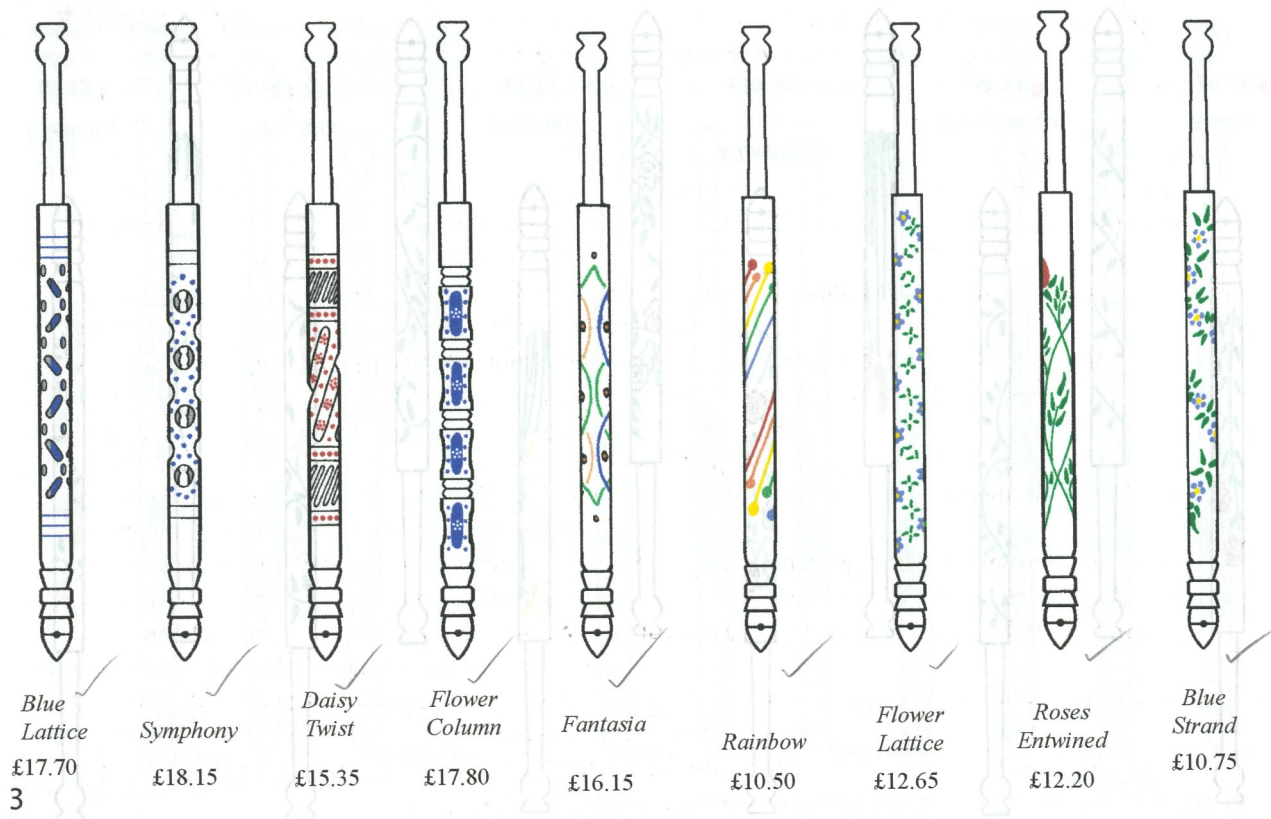

by fax: fill out the form ensuring that the credit card details are completed for your first month's bobbin(s) (see below for postage and packing details).

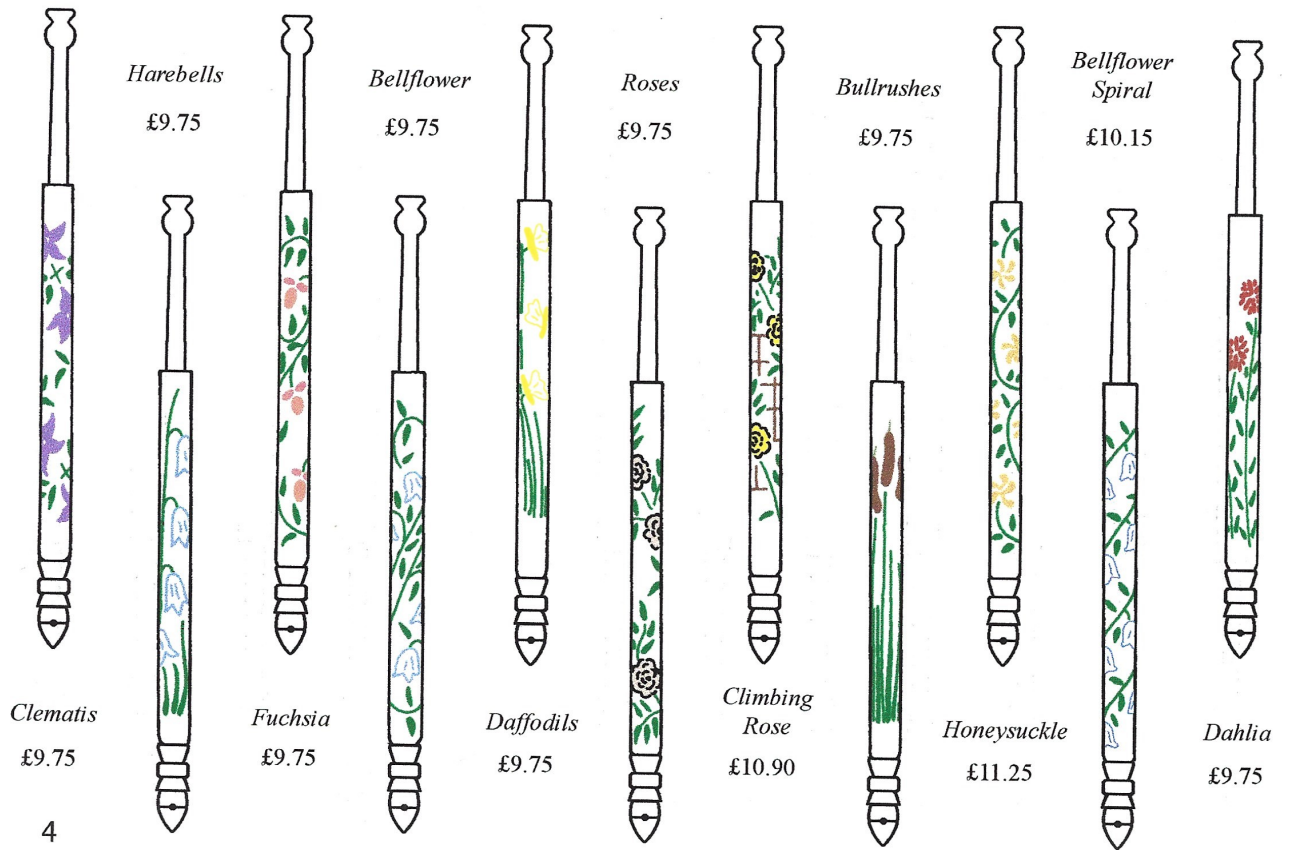

by email or Internet: Either visit our web site at www.archer.com where details will be given on how to join OR send an email ensuring that all the information that is required on the enclosed order form is duplicated including credit card details for your first month's bobbin(s) (see below for postage and packing details).

Postage and Packing: For overseas orders a charge of only £2.00 will be made as opposed to the standard charge of £3.00. For UK orders no charge will be made for postage and packing.

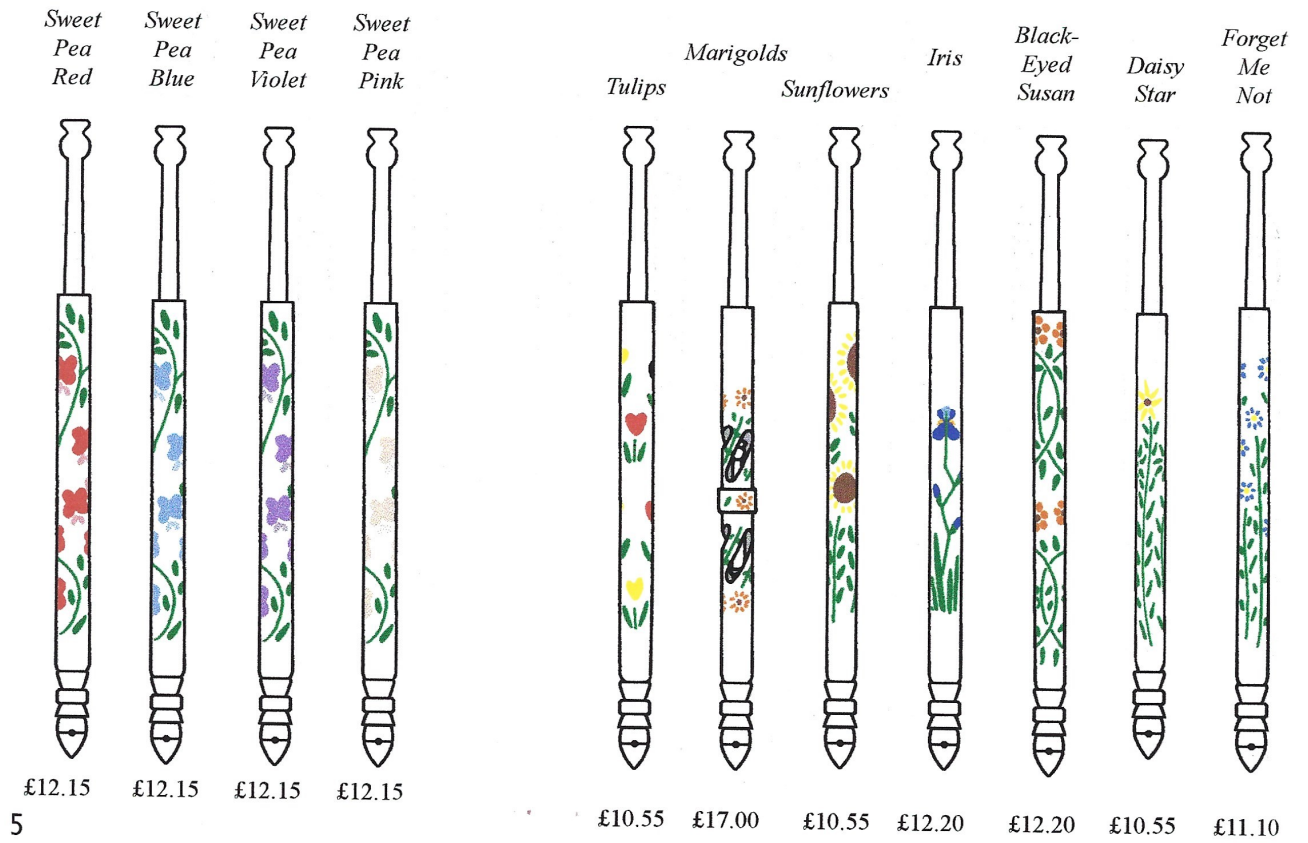

Waiting Time: At the time of going to press the current waiting time before Bobbin-a-Month Club orders can be started is between two and four months.
