Lace Groups and Organisations

We are often asked to make a larger order of the same bespoke design to commemorate the anniversaries of lace groups and organisations. If your lace group or organisation would like to order a special bobbin to commemorate an anniversary or a special occasion please contact us with an idea of the details that you might like on the bobbin and a rough idea of the number of bobbins you might require. We will then be happy to discuss your requirements and give you a price. We are also happy to undertake logos and emblems but the success of these depends on whether the design will lend itself well to the engraving process.

If you're in any doubt about what ideas might be possible or how much space is available for inscriptions etc, please contact us.

If you have a particular date for which you require your bobbins to be ready, then the sooner you can contact us with your requirements the more likely it is that we can have it ready for you in good time for the special date. Please bear in mind that at present we have a waiting list of approximately six months.

Bespoke Bobbins

Should you require a bespoke design, inscription or both please don't hesitate to contact us for an informal chat. We are always happy to look at bespoke designs and discuss prices.
